

Opt-out text

We now have a text reminder service so that we can remind patients of their booked appointments and also let them know of upcoming health promotional events at the surgery such as Flu Clinics.

If you do not wish to receive information on upcoming health promotional events or clinics and receive reminders for your booked appointments please let us know by completing the Opt-out text slip below and handing in to the front desk.

Opt-out Text Slip (Please return to Meadowcroft Surgery)

I do not wish to receive information by text relating to upcoming health promotional events at the surgery or to remind me of my booked appointments and any other message unrelated to my health

Patient Full Name: _____

DOB: _____

Address: _____
